Nestled on a hilltop above the city of Duvall and the Lower Snoqualmie Valley, Sunset Court is a boutique community of **11 luxury townhomes**. Built by John Day Homes, a trusted local craftsman builder known for exceptional quality and timeless design, these residences offer the rare combination of refined townhome living and the pride of true homeownership.

Unlike typical townhomes, each home at Sunset Court is a **single-family attached residence**—meaning every homeowner **owns their individual lot** and enjoys a **backyard & patio**, offering a sense of space and privacy.
